**Digital
transformation
of industry**

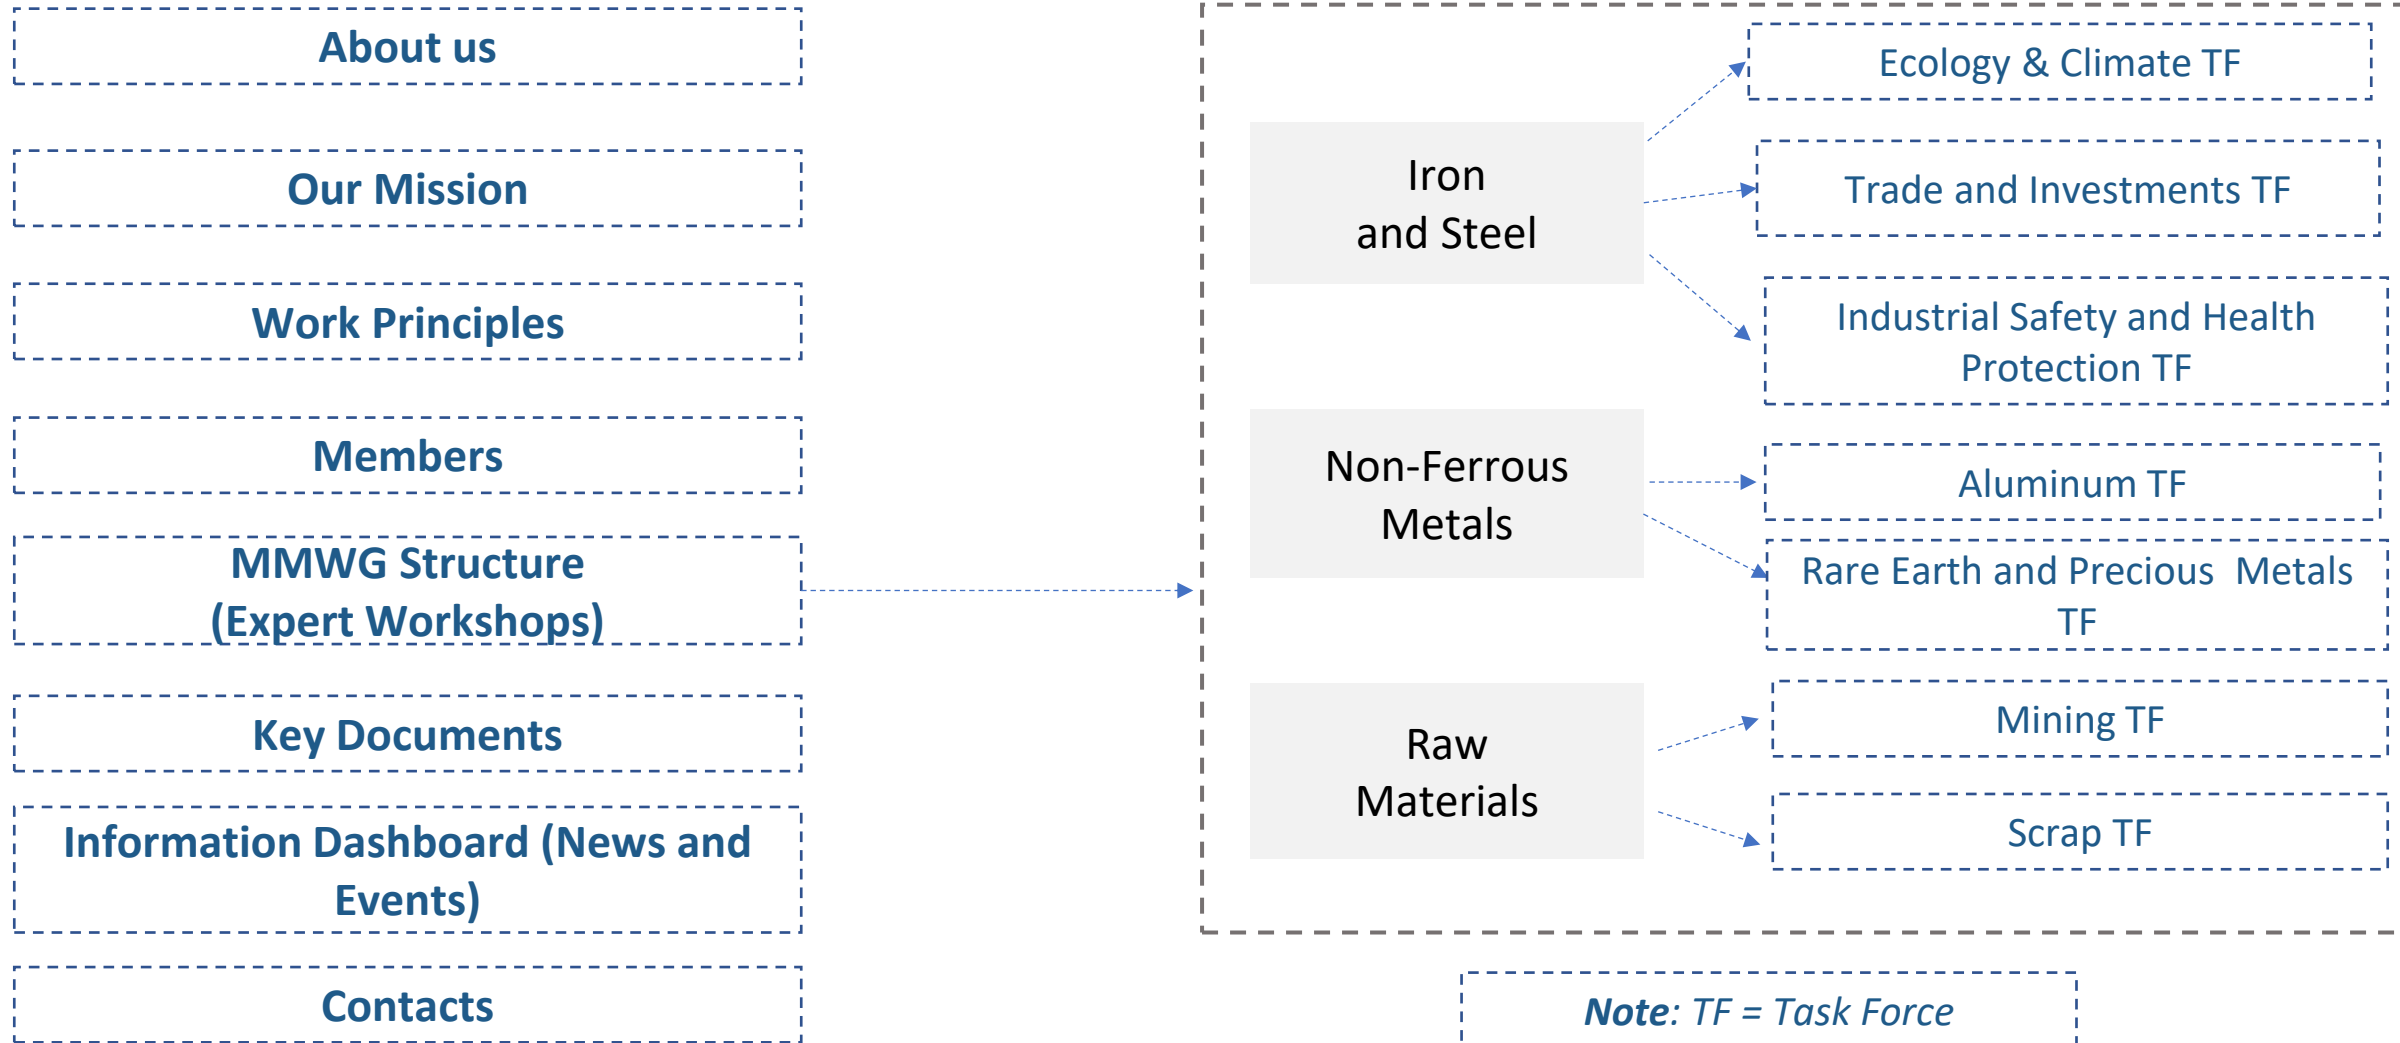

SME

**Intellectual
production
and robotics**

Photovoltaics

**Medical equipment
and
pharmaceuticals**

Tentative Structure of PartNIR MMWG Open Web Portal

Functionality of PartNIR MMWG Web Portal

Open pages (for all visitors) and pages with limited access (only for MMWG registered members with login and password)

Functionality of pages with limited access:

- Posting documents by Chairs and Co-chairs (in information dashboard), members of Expert Workshops (EW) and Task Forces (TF) depending on their rank
- Chats for discussions within Expert Workshops and Task Forces for all registered members
- Informing registered members by e-mail or flash messages about posting new documents and comments
- MMWG website can be duplicated in languages of its members
- Other?
